

Privacy Policy

At the (QI) Quality Improvement Team, LLC, we recognize that privacy is an important issue, so we design and operate our services with the protection of your privacy in mind at all times. This Privacy Policy outlines the types of personal protection we assure when you use The Quality Improvement Team, LLC's website, as well as some of the steps we take to safeguard it.

Information Sharing

We do not rent or sell your personally identifying information to other companies or individuals, unless we have your consent. We may share such information in any of the following limited circumstances:

- We have your consent.
- We provide such information to trusted businesses or persons for the sole purpose of processing personally identifying information on our behalf. When this is done, it is subject to agreements that oblige those parties to process such information only on our instructions and in compliance with this Privacy Policy and appropriate confidentiality and security measures.
- We conclude that we are required by law or have a good faith belief that access, preservation or disclosure of such information is reasonably necessary to protect the rights, property or safety of The Quality Improvement Team, LLC, its users or the public.

If you have an account, we may share the information submitted under your account among all of our services in order to provide you with a seamless experience and to improve the quality of our services.

We will not disclose your account information to other people or non-affiliated companies, except in the limited circumstances described in this Policy or with your consent.

In the event of a transfer of ownership of The Quality Improvement Team, LLC, such as acquisition by or merger with another company, we will provide notice before any personally identifying information is transferred and becomes subject to a different privacy policy.

We may share aggregated information with others.

Information Security

We take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data.
